ABOUT ME

I am a seasoned Professional Astrologer and psychic reader with over 30 years of experience. With a deep-rooted passion for astrology and psychic insights, I have interpreted over 10,000 astrology charts for individuals from all walks of life.

In addition to my success on social media, I have had the privilege of hosting my own radio show, making television appearances, being a guest on numerous podcasts, contributing to nationally syndicated columns, and serving as a keynote speaker for various groups and conventions.

Most recently, I was quoted in a TIME Magazine article "[How Astrologists Are Preparing for the 2024 Solar Eclipse](#)" sharing my insights on a prominent transit that sparked a lot of interest within the Astrology community and beyond.

I am always open to new opportunities that allow me to share my astrology knowledge and charismatic personality with a wider audience.
